1/10/06                      R04-04-003                      Order Instituting Rulemaking to promote policy and program coordination and integration in electric utility resource planning.

**Summary:** On January 9, 2006, Marc Joseph, attorney for the Coalition of California Utility Employees (CUE), met with Aaron Johnson, advisor to Cmmr. Grueneich, in San Francisco. Also present was David Marcus, consultant for CUE. Joseph and Marcus explained the comments by CUE on the Capacity Markets White Paper. Joseph and Marcus stated that a capacity market was inconsistent with and would have to replace the resource adequacy requirements, that it would not likely result in 15-17 percent margin, that it would be very complex, that it would require locational markets with many different capacity products and would not result in new generation. Joseph also stated that the current RFO process was resulting in competitive procurement.

**Summary:** On January 9, 2006, Sarah DeYoung, Executive Director of the California Association of Competitive Telephone Companies (CALTEL), met with Aram Shumavon, advisor to Cmmr. Brown, Robert Lane, advisor to Cmmr. Bohn, and Lester Wong, advisor to Cmmr. Peevey, in three separate meetings in San Francisco. At the meeting with Aram Shumavon also present were Peter Hanson, advisor to Cmmr. Brown, and Kelly Hymes, advisor to Cmmr. Grueneich, and at the meeting with Robert Lane – Lindsay Brown, advisor to Cmmr. Bohn. Joseph Faber, counsel to CALTEL, also attended these meetings. CALTEL representative discussed the proposed decision (PD) and, specifically, the CALTEL's recommendation that the Commission include consideration of its wholesale price caps proposal in an upcoming phase of this proceeding. CALTEL representatives explained why the wholesale price caps structure was more advantageous than the UNE nomination process proposed in the PD. CALTEL representatives also explained that the CALTEL proposal did not require the Commission to make any findings about whether such a structure should be adopted.
